My suggestions

The Magic of the Lost Temple
is a book that I will
recommend to book-lover
children who enjoy books
about ancient places and who
like adventures of different
types.

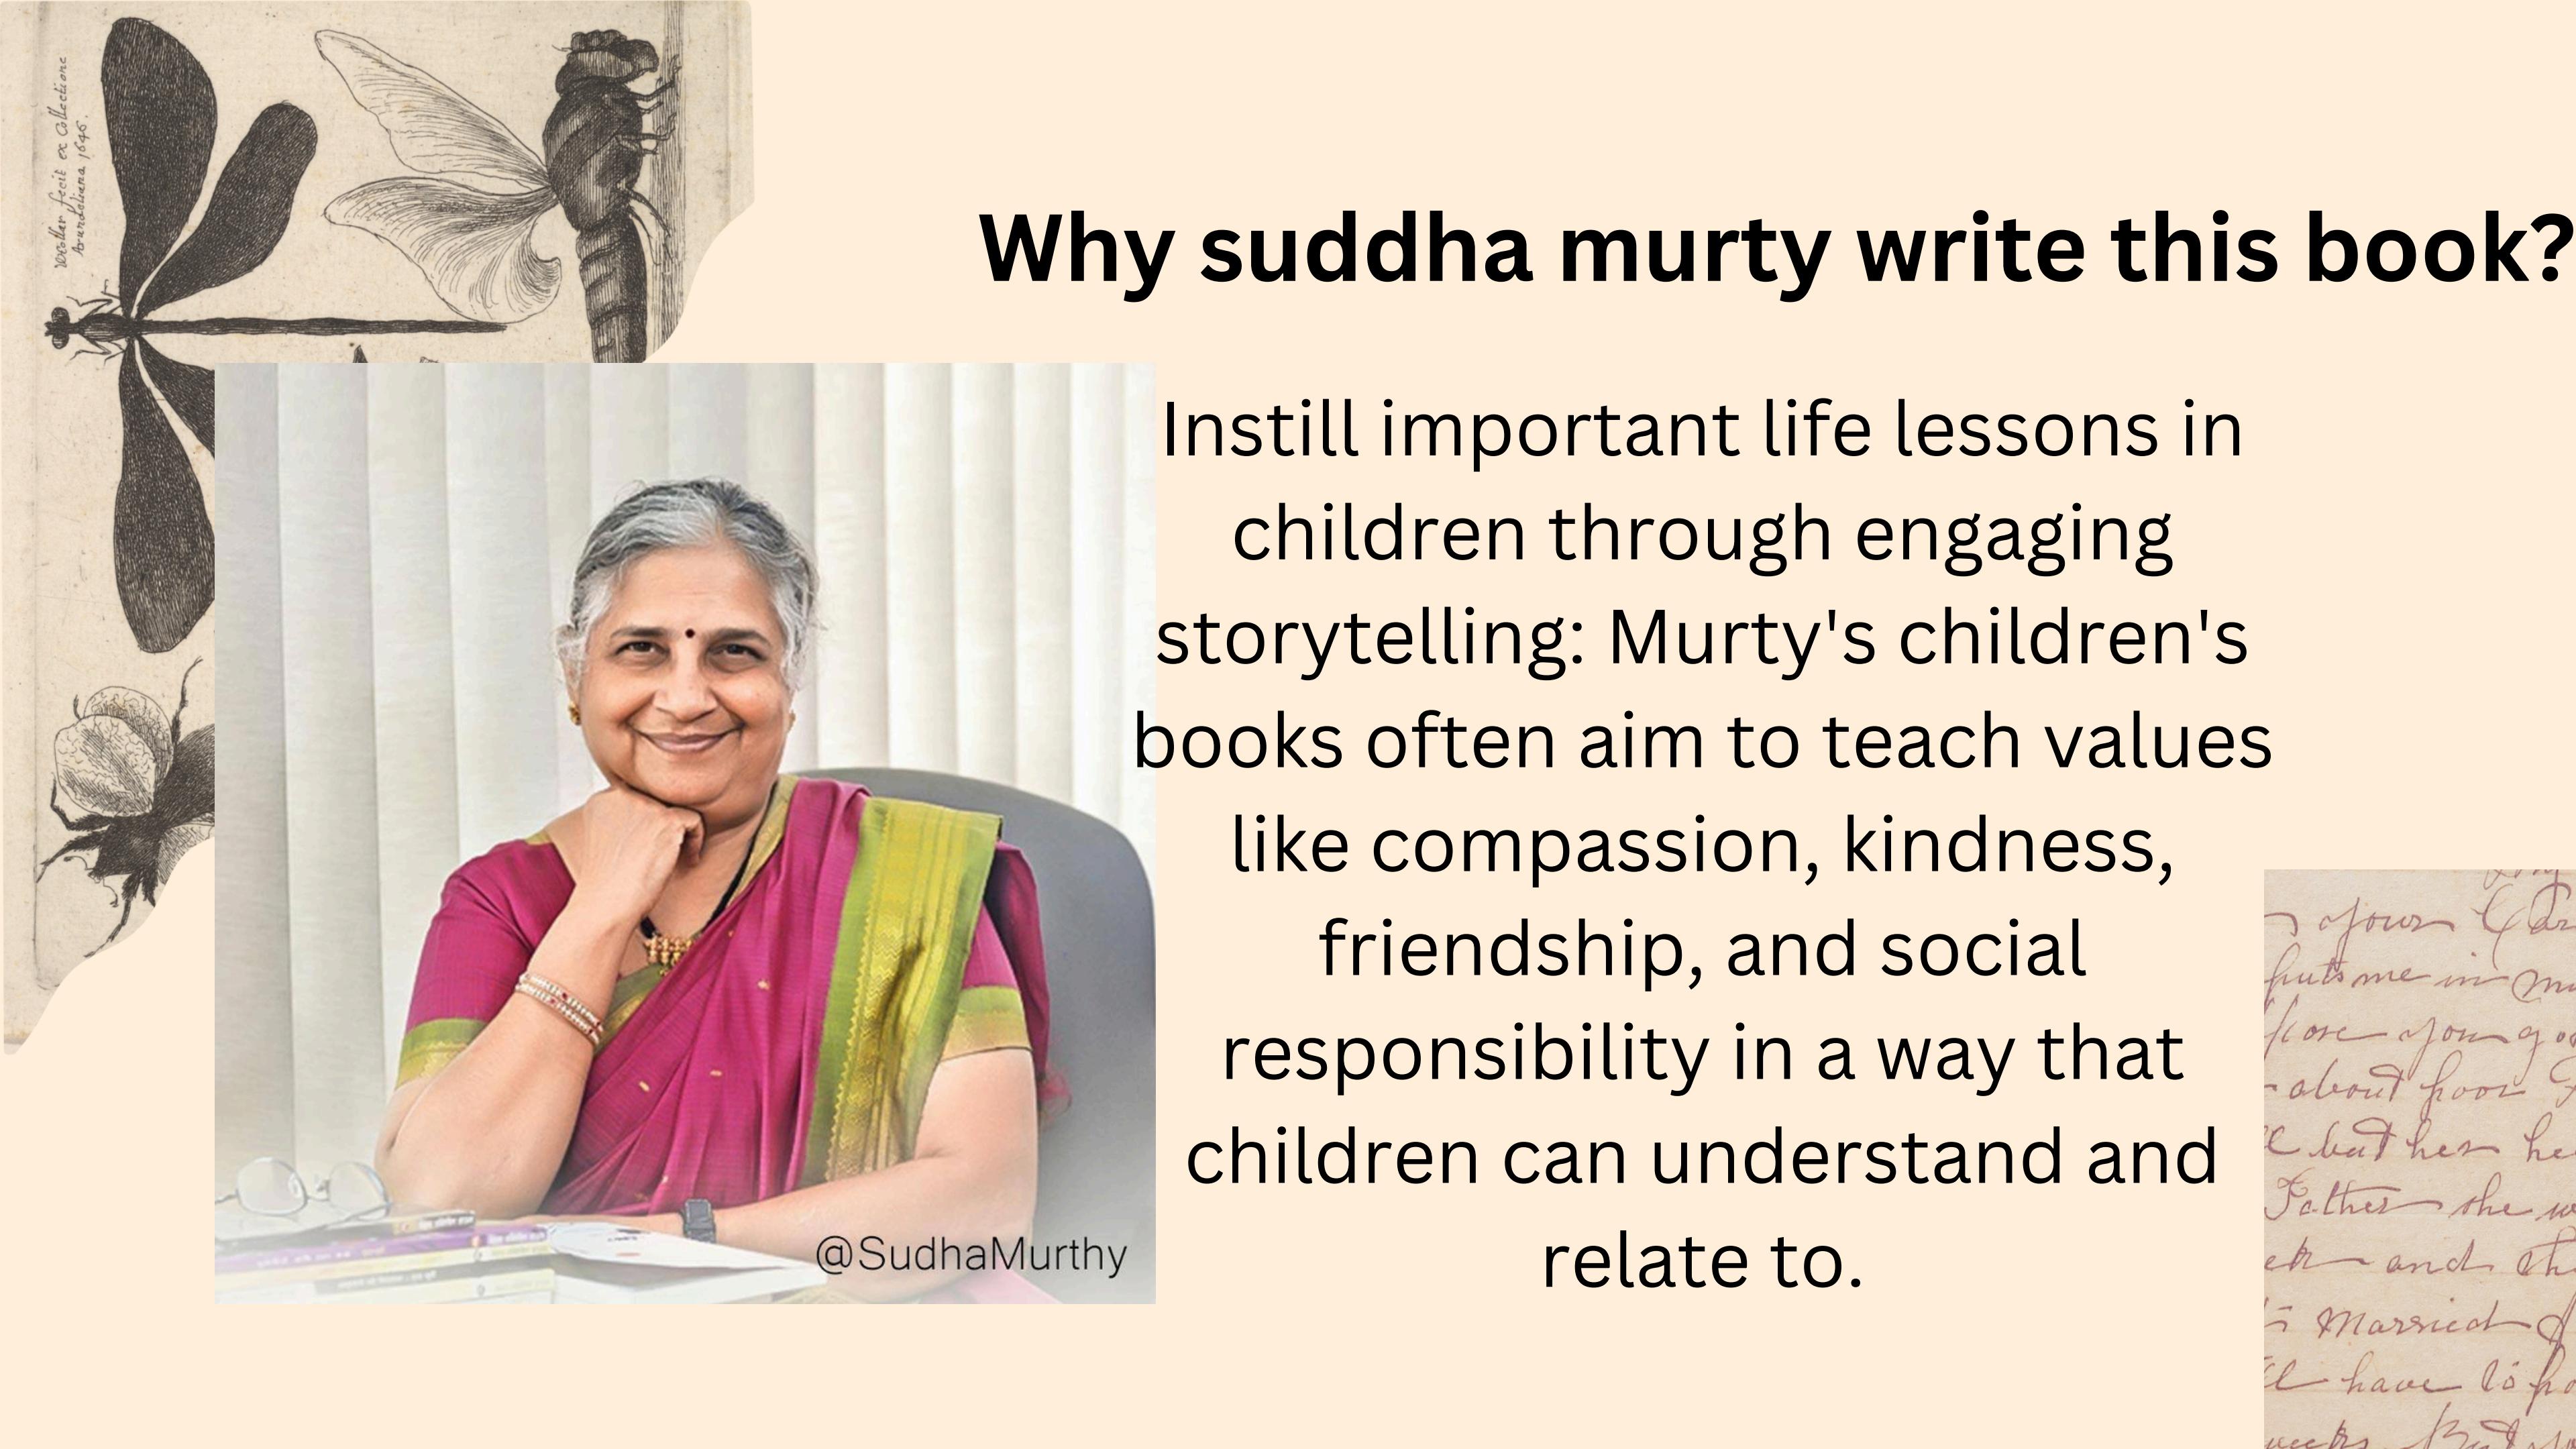

Vocabulary

- Fascination: a powerful attraction or charm.
- Acquainting: making familiar with
- Enthralling: captivating; holding one's full attention.
- Archaeology: the study of human history and prehistory through the excavation of sites and the analysis of artifacts and other physical remains.

Why I like the book?

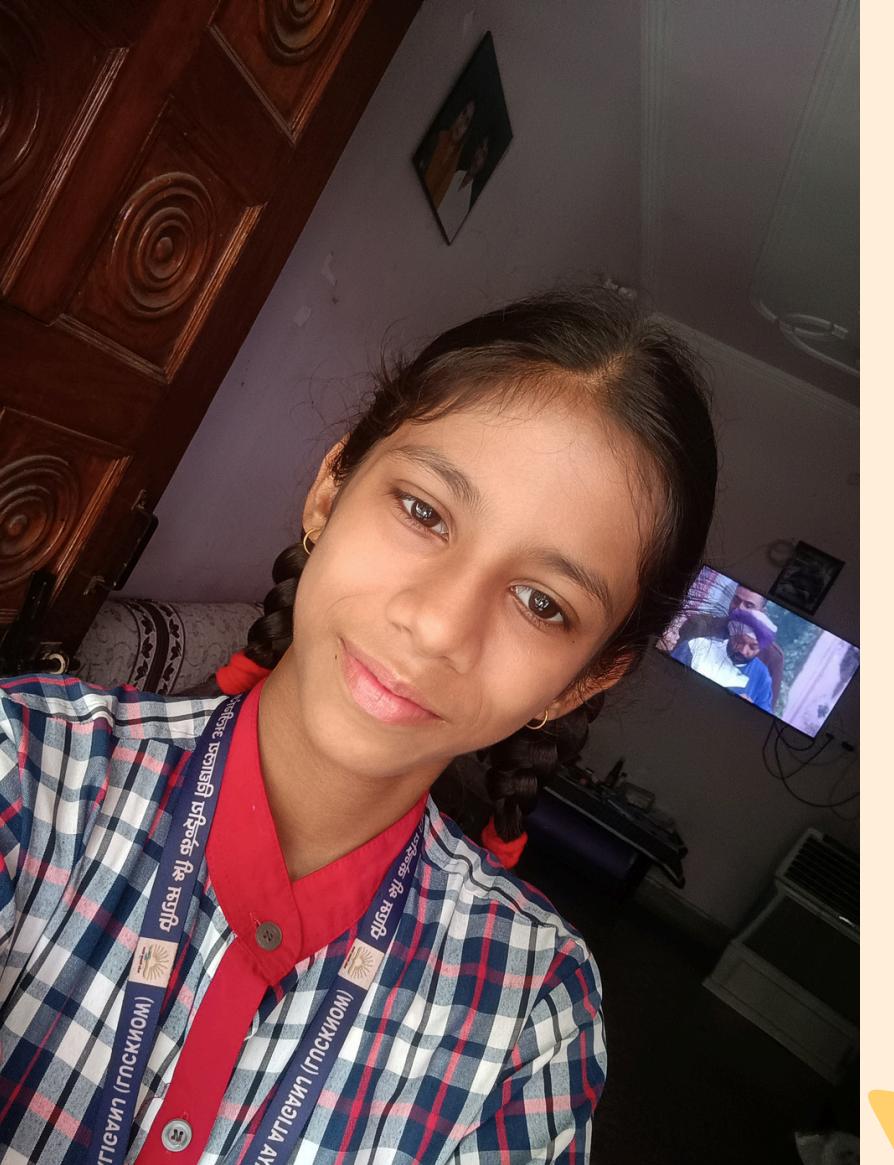

The magic of the lost story is a beautiful read with a Vibrant backdrop of the Magnificent Tungabhadra River and the stories around the river. It's the story of curious Noonni who visits her grandparents in Somanahalli where she discovered an ancient stepwell, all thanks to her unending curiosity.

Why suddha murty write this book?

Instill important life lessons in children through engaging storytelling: Murty's children's books often aim to teach values like compassion, kindness, friendship, and social responsibility in a way that children can understand and relate to.
